Short Description

This is an office tray wood structure, PU leather exterior, faux suede lining inside. Each layer of this tray holds about 500 pages of legal files or copy papers. This tray can also hold magazines or books for your convenience. It is durable and modern.

Description

Many people find themselves more productive when working at desks that are free of clutter. Sorting all your important documents and keeping them intact can be a daunting task at times. A **multitier tray unit** is the simplest and most effective for handling incoming papers. The document and file tray in your office will keep your paperwork neat and well-organized. With the leather document tray on a desk, it is easy to tell which tasks have been completed, which jobs are in progress and which work is still incoming. Whether you choose to use a **desk organizer tray** to arrange documents by date or maybe priority level, it is sure to make each workday proceed more smoothly. The **modern office tray** will easily help you to locate and access the relevant paperwork quickly in order to meet the deadline when you are doing a project that is time sensitive.
