### Short Description

This is a unique, simple and affordable artificial flower in a black clay pot for decoration purposes. It can be used in all occasions. Its color is cream white and materials used are fabric, plastic, iron wire and clay pot. It fits in many decoration themes since it is bright in color.

### Description

Flowers have always intrigued us with their unique beauty and enticing scents since the beginning. Flowers do not only add beauty in your house but they also enhance creativity in your house. Artificial flowers can really improve the look of your living room, kitchen, bedroom, dining room or even your office. Have you tried a cream white butterfly orchid flower in your house or office? Cream white butterfly orchid flowers are what you need to transform the look of your house or office. They are made of fabric and a plastic stem. Artificial orchid flowers can be used in different occasions such as weddings, birthdays and anniversaries. One fact about artificial flowers is that, they require less maintenance and they can stay for a long time without getting damages. Petcarl Décor provides durable and beautiful artificial flowers that can suit any room in your house or office. For quality and affordable home & office decoration flowers you can contact us.
