Short Description

They say time flies, just like butterflies. This is a perfect decorative acrylic wall clock for any room. This clock comes with 8 different sized butterflies which can create a unique and decorative layout. They are removable when moving from one house to another. The main clock is 30cm in diameter and its movement is silent.

Description

When a person builds a new house or office, one of the accessories that he/she should put in place is a decorative wall clock. One thing that you should consider while choosing a wall clock is the uniqueness. A unique and a modern design wall clock in some way enhances the décor of your house or office. Need an acrylic round butterfly clock? Petcarl décor is the place where you can shop your favourite and modern acrylic wall clock. We sell acrylic black round wall clocks that come with other eight different sized butterflies that are stuck beside the main clock in a unique and decorative way. The best thing about a black wall clock is that, it can suit many different colors on wall. If you really love beauty and you would like to enhance the look of your house or office, do not hesitate to
