Short Description

This is a modern creative tree shape with a swing girl pendulum acrylic wall clock. It is a wall surface clock and its diameter is 30cm and width 5mm. Its power supply is batteries. The clock has a silent movement and gives a bright and dynamic wall decoration.

Description

The decoration of your house or office and especially where there is free space on wall is very important. An acrylic tree wall clock works well with your house or office. It is a tree design clock that you can use in your living room, bedroom or kitchen. The black tree clock enhances the beauty of your office or house. It is also a good clock in kid's room since it is labeled with numbers and as such making it easy for children to know time without struggle. If you need to turn the look of your office or house, this black tree clock may be just what you need. Have you been looking for an interior décor shop where you can buy unique and modern wall clocks? Petcarl Décor is a trustworthy and reliable unique clocks selling shop in Kenya where you can buy black custom design clocks at fair prices. Make your house more beautiful by acquiring a classy and superior wall clock
